THE CODE OF ACADEMIC COSTUME

An 1894 conference of representatives of leading American institutions adopted a uniform code of academic dress. The code was revised by the American Council on Education in 1932 and again in 1959.

Black gowns recommended for use have certain characteristics. The bachelor's degree gown has pointed sleeves, the master's degree oblong sleeves and the doctor's degree gown has bell-shaped sleeves. The bachelor or master gowns have no trimmings. The doctor's degree gown is faced down the front with black velvet with three bars of the same across the sleeves. The velvet may be the color distinction of the subject to which the degree pertains, agreeing in color with the edging of the hood.

For all academic purposes, including trimmings of doctor's gowns, edging of hoods and tassels of caps, colors associated with different subjects are: Agriculture, Maize; Arts, Letters, Humanities, White; Commerce, Accountancy, Business, Drab; Economics, Copper; Education, Light Blue; Fine Arts, Brown; Journalism, Crimson; Law, Purple; Library Science, Lemon; Music, Pink; Nursing, Apricot; Speech, Silver Gray; Philosophy, Dark Blue; Physical Education, Sage Green; Public Administration, Peacock Blue; Public Health, Salmon Pink; Science, Golden Yellow; Social Work, Citron; Theology, Scarlet.

The bachelor's degree hood length is three feet, the master's degree is three and one-half feet; and the doctor's degree is four feet. The hood for the latter has panels at the side. The hoods are lined with the official color or colors of the college or university which conferred the degree; more than one color is shown by the division of the field color.

The hood binding or edging is velvet or velveteen, in widths of two, three and five inches for the bachelor's, master's, and doctor's degrees, respectively. The color of the edging should be distinctive of the subject to which the degree pertains. The black academic cap is usually shaped like a mortar board. The tassel is black or the color appropriate to the subject to which the degree pertains. The only exception is the doctor's cap which may have its tassel of gold thread.

Goodman/Berryman Resign!!

Changing Of The Guard

The former offensive coach for the Georgia Bulldags, Mike Cavan, has been named Associate Athletic Director and Head Faotball Coach for the Blazers. "I am extremely pleased that we were able to attract someone with the experience and reputation that Mike Cavan has," President Bailey said after a news conference earlier in the year.

Cavan, was an outstanding quarterback on three Georgia teams fram 1968 to 1970. He lead the Bulldags to the Southeastern Conference championship, and was named SEC sophomore of the year in 1968.

Cavan began coaching in 1973 at the University of Georgia as an Assistant coach to the freshman team. He has been a vital part of the success that the Bulldogs have had which includes four SEC championships, and a 1980 national championship team.

Along with Coach Cavan comes Rusty Russell and David McKnight, defensive coordinator, and offensive coordinator respectively.

Lady Blazers

It was another great year far the Lady Blozers. As usual, they pounded their opponents one-by-one only to run into a few brick walls along the woy. The year ended with a 21-6 win-loss record.

The Lady Blazers were led by all-conference Candace Fincher and Bridgett Moore. Miss Fincher, who averaged 19.6 points and 12 rebaunds per game, was selected to the all-academic team where she averaged 17.4 paints per game.

As the year closed, the team was subjected to seniar losses. With such powers os Debbie Coto, Kajuonesa Cornelius, and Beverly Johnson leaving os the time-clock ron out on their eligibility to play, the team now looks at another probable rebuilding process.

The Inter-Fraternity Council is the governing bady aver all the campus' fraternities. Its female counterpart is the Panhellenic Cauncil.
